Dear Harold -

It's no use hollering at
me. When I write an assassination
story, I call you because I
think Touching base is a good
idea. But I can't make anyone
else in the office do it if they
don't want to. The Gardner price
thru the advantage of calling
you, and I want to keep doing
it when I do a story. But please
Harold don't virtual me with your
accomplished brush when I don't
do the piece — Bert
